SIMPLIFY

YOUR OUTDOOR ENTERTAINING EXPERIENCE

Challenger Designs Canyon Series

Introducing weather resistant, affordable, upscale inserts for your outdoor kitchen.

Available as full enclosures or as door and frame only, we've created a durable kitchen storage unit that is ready to install when it arrives at your door.

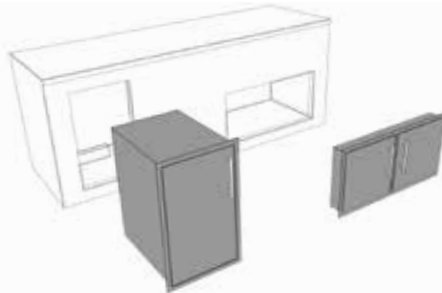

STORAGE MADE SIMPLE

- Rigid, fully enclosed storage units
- Fingerprint resistant
- Low maintenance
- Adjustable shelves and full extension drawers
- Finished to match your taste
- Delivered fully assembled

STANDARD FEATURES

- All-aluminum construction
- Gasketed seals
- 9" stainless steel pulls
- Finished interior
- Numerous powder coated finish options

Available as full enclosures or as door and frame only.

EASE OF INSTALLATION

Enjoy an all-aluminum, weather resistant product that's easy to install, finished to your specifications, and designed to provide a lifetime of carefree use.

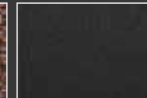

AVAILABLE IN THESE STANDARD COLORS
