# ART OF LIVING

Whether your outdoor space is a vast backyard or a modest patio, there's an exterior kitchen designed for you. We've created key pieces, available in your choice of colors, to inspire your creativity. Just arrange the components and start enjoying.

## FORGET THE WORK

All aluminum construction means no rust, easy cleaning, and lightweight, movable pieces you can rearrange.

## YEAR-ROUND ENJOYMENT

The durable design, weather stripping, and waterproof cabinets allow you to store items outside without worrying about the weather.

## EXCELLENT COMPANY

Store everything you need for outdoor entertaining in the easily accessible storage cabinets featuring full-extension drawer glides, stainless drawer pulls, and weather-tight internal shelves.

## YOU CAN TAKE IT WITH YOU

Challenger Designs creates sectional kitchens that you can easily move and reassemble.

If you love your outdoor Challenger Designs kitchen, take it with you when you move!
