CHALLENGER DESIGNS
GARAGES & FURTHER LOOKBOOK

CRAFTED TO PERFECTION

Trust Challenger Designs with your unfinished space. Our all-aluminum cabinetry performs as good as it looks — featuring hand-tailored craftsmanship, a unique powder-coated finish and the highest quality materials. It's the only cabinet of its kind that's guaranteed for a lifetime.

WHY CHALLENGER DESIGNS?

Each product is crafted from high-quality powder-coated aluminum that won't warp, rot or rust.

Cabinets come fully assembled or with minimal assembly required and are quick to install.

Each cabinet solution is built according to your space and needs to ensure a perfect fit every time.

All products are available with our high-quality aluminum, stainless steel or custom maple butcher block countertops, or can be built to support any countertop material you source.

In-house designers to create the perfect layout for you.

Built from start to finish in the USA.

Limited lifetime warranty.

UPGRADE YOUR GARAGE

Forget everything you know about garage cabinetry. Challenger Designs does things differently — offering the durability you need with the luxury features that make your garage a true destination. With multiple door and handle style options and other customizable details, we'll ensure your space is perfectly crafted to meet your personal application, requirements and lifestyle.

CHALLENGERDESIGNSLLC.COM

Looking for a particular aesthetic? Hundreds of cabinet design options await, including custom finishes, countertops, bartops, configurable pegboards and add-ons that work for you.

TRANSFORM YOUR SPACE

With a talented team of in-house designers, we can help you bring your vision to reality. We'll work closely with your dealer to create a custom design to transform any of your unfinished spaces — from mudrooms and basements, to game rooms and boat houses, to sport rooms, covered porches, wet bars and beyond.

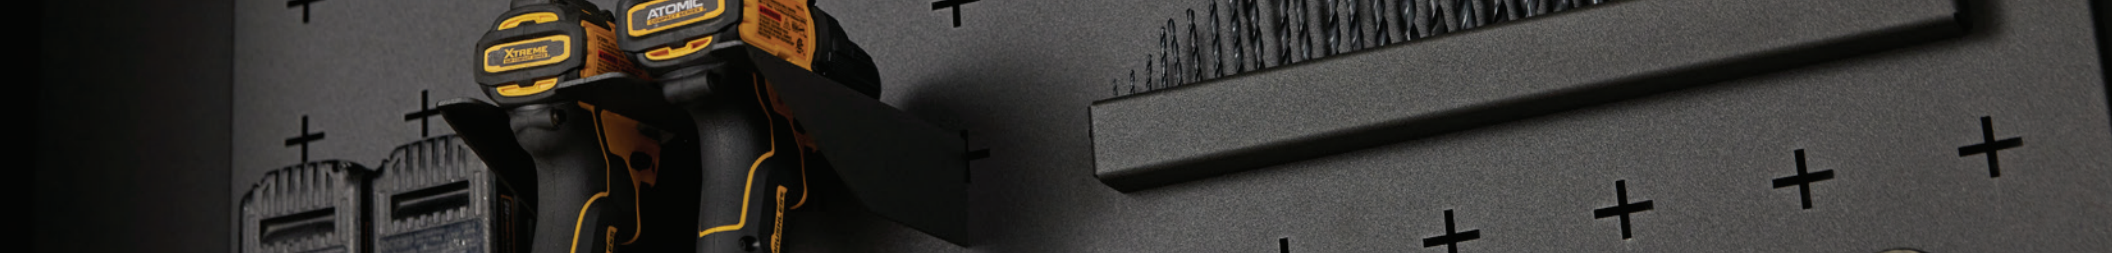

06

Want to make the most of your space? We can help you maximize your layout and investment based on your specific needs. With quick turnaround times and easy installation, you'll be enjoying your new room in no time.
